

Business Basics for Start-Ups Program

If you are starting a new business or thinking about starting a business, it is important to make sure you have a good foundation. Our Business Basics for Start-Ups program provides key information and insights for starting your business, to make sure you get on the right track and stay there. Our presenters will share their experiences and insights into success as well as failure.

Learn about the pitfalls of starting a business and the signposts to success for a new business. The friendly and relaxed atmosphere of the program will also allow you to share insights with other business owners or intenders. To make sure your business has the right foundation register below via [Eventbrite](#) or contact us on **(08) 8260 8205** for more information.

Business Basics for Start-Ups

The Business Basics for Start-ups is run every month and is a 1.5 hour workshop to guide you through the steps you need to take to start your own business. You will also receive one hour complimentary one-on-one mentoring with a Business Advisor.

In this workshop, you will discuss:

- Your reasons for starting your own business?
- What skills will your new business need?
- What research you will need to do?
- The importance of cashflow and what is it?
- The importance of having a clear business plan
- Business names
- Business structures
- Working from home
- Insurance
- Counting the cost and much more.

By appointment \$20 per person \$30 for two people
